Babysitting Emergency Contacts For New Zealand

Emergency number: 111

You can call this number if there's a threat to property or life. Like a fire, medical emergency, or serious car accident.

Poison Control: 0800 POISON (0800 764 766)

Call this number either in case of poisoning, or just to get information about poisons as well.

Non-Emergency Number: 105

You can call 105 for police non-emergencies. Use 105 to report things like someone has broken into your car and might have taken something, you suspect a drug deal is going on, or someone has vandalized the house you're babysitting in.
